

Towson University  
New Music Ensemble  
presents

*Sonic Constructions*  
Electro-Acoustic Improvisations  
by Curtis Bahn and Thomas Ciufu

Wednesday, October 23, 2013

8:15 pm

(Q & A w/ Artists following the performance)

Center for the Arts Recital Hall

This concert will feature interactive electronic music performances by composer-improvisers Bahn and Ciufu, who design, build, and perform on computer extended instruments. Custom instruments will include the eSitar, eDilruba, the eighth nerve hybrid electric guitar, and the prepared physical / digital piano.

Tickets: 410-704-ARTS or [www.tuboxoffice.com](http://www.tuboxoffice.com)
